

and it is important to feel
confident in our significant other.

and if we feel insecure
we tend to cling on harder

If we are worried that they
will reach for someone else

This can make us feel
vulnerable

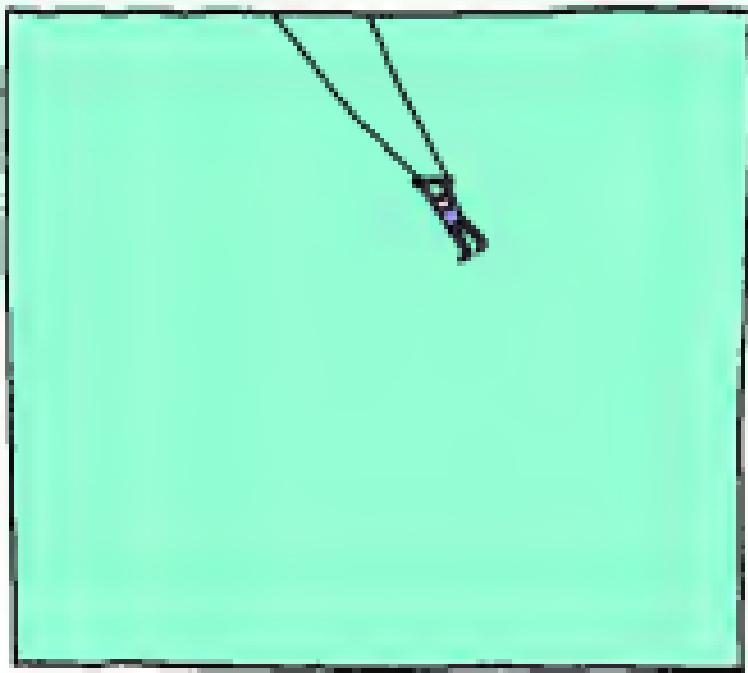

HOW to LOVE

Dear Dorris,
what do you do
when you're afraid OF
your boyfriend/girlfriend
leaving you for someone
else?

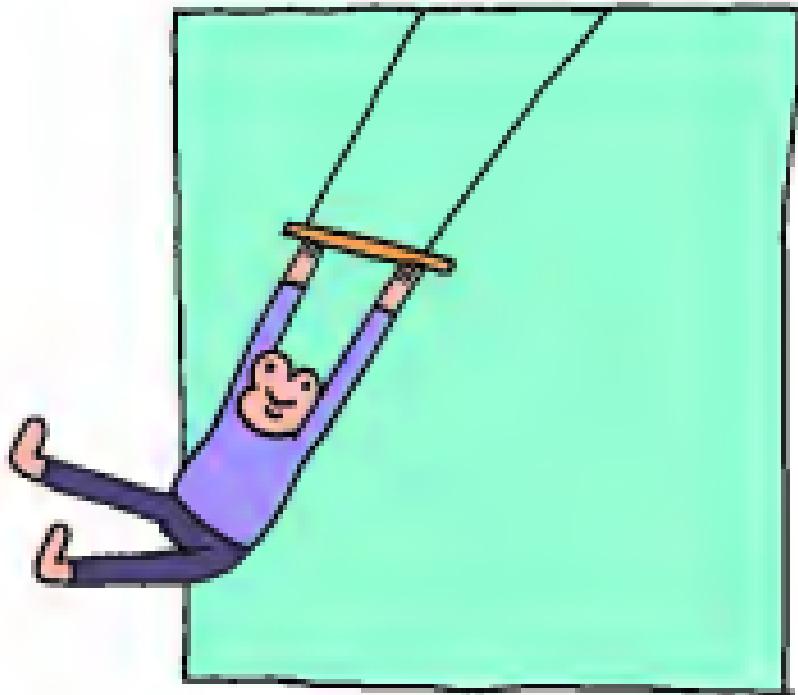

- The Kid

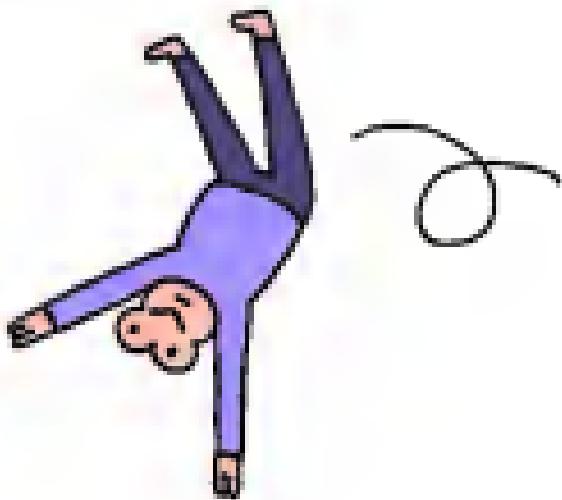

A relationship can feel
like emotional acrobatics...

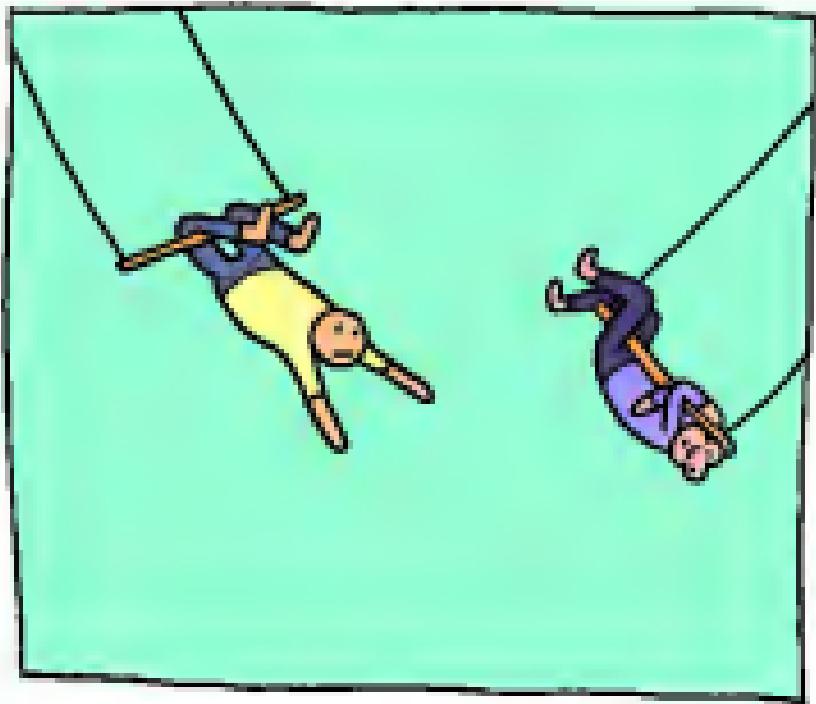

and it requires us to put
ourselves out there.

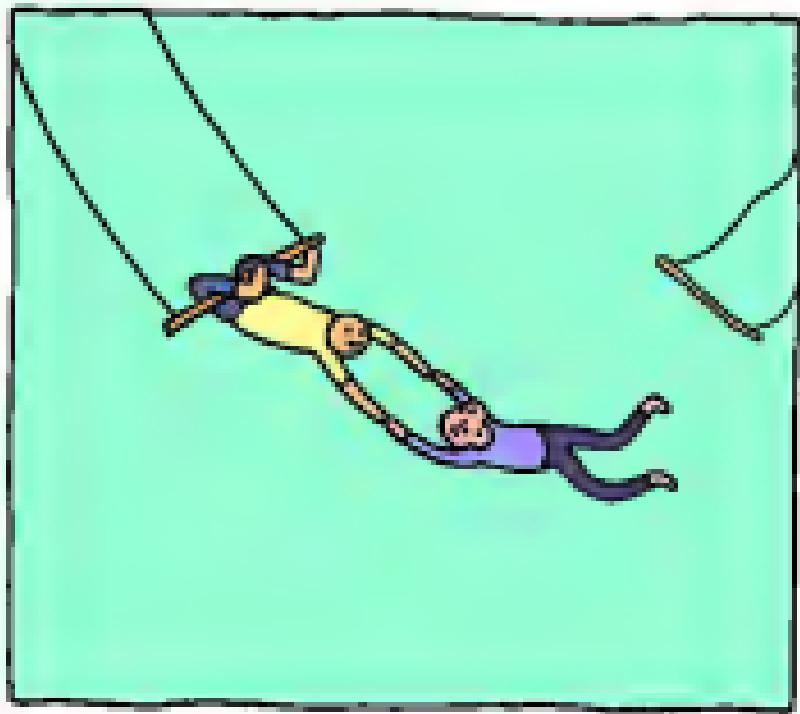

we can feel helpless

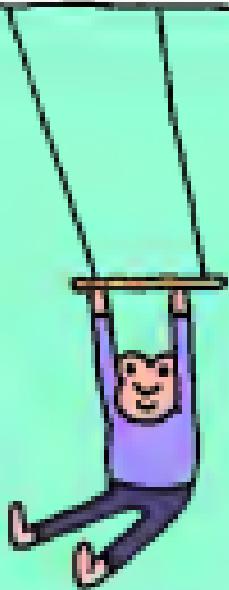

and we will never feel
truly connected.

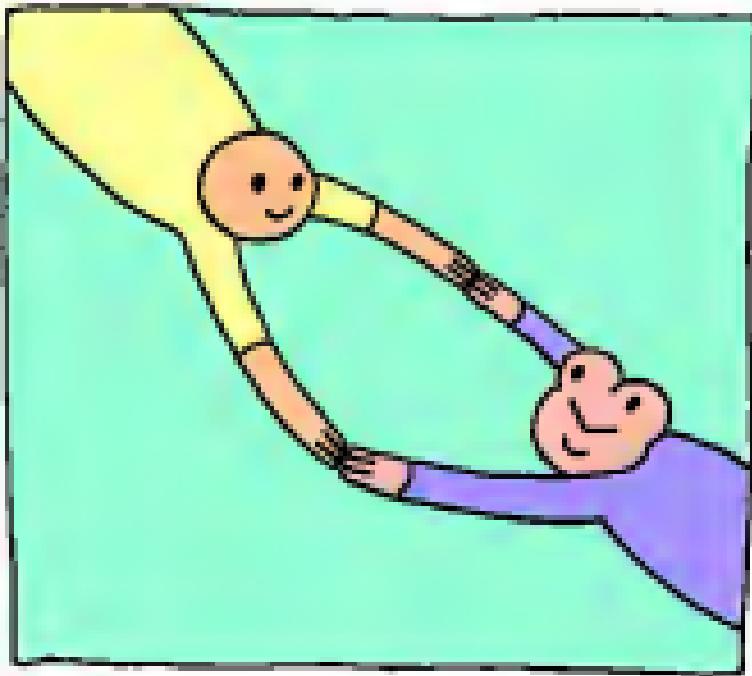

and you will be stronger
together.

thrilling

Let your partner gain your trust

Let them comfort you
